

Town of Newbold Building Committee

Minutes for December 17, 2019

The meeting was called to order at 8:50am.

Present was Ed Hammer Chairman, Jim Staskiewicz secretary, Mrs. Jackie Cody, Mrs. Kim Gauthier, Mr. Kim Harron, also present was Mr. Dave Schmitz.

A motion was made by Mrs. Jackie Cody, seconded by Mr. Kim Harron to approve the minutes for October 21, 2019 and December 5, 2019. A vote of all aye's.

The committee started by looking at the four design options funktion design provided for the town shop. After some discussion, the committee picked option four. The only change to this option the committee wants is a second bathroom incase at some time in the future. The town hires female employees. The committee feels that this is the best option. Because it not only gives the road crew everything they need. But it also keeps the old shop, with some small changes for extra storage.

The committee then moved on to the four design options for the town hall. After much discussion, and the only concern was what some of the rooms uses where listed for. The committee decided option one was the best. This option not only has everything the town would need going into the future. But it also reuses the foundation and basement for extra storage.

The committee then moved on to the two design options, if the town wishes to proceed with purchasing the old Newbold School. After some discussion the committee decided on option six. This option would be the best, by demolishing the

one end of the building and using the gym not only as the town hall meeting room. But also as a community center. Public Comments: Mr. Dave Schmitz wants the committee to post there meetings two weeks in advance. He feels this way people can change their schedule so they can attend the meeting. He also suggests that the committee not have the meeting with the electorates until after May. Mr. Hammer thanked Mr. Schmitz for his suggestions. Also that they would be considered.
The meeting was then adjourned at 9:45am.
