RE: Hurricane Relief Supply Collection

Hurricane Relief supplies will be collected at the Newbold Town Hall September 11th, 12th and 13th from 4:00 p.m. to 6:00 p.m.

T.J. Belunes, an employee of the Town of Newbold announced his desire to take his personal vehicle and trailer down to Texas (or possibly Florida) and help with disaster relief efforts. He will leave this Thursday with as much supplies as possible and distribute them to those in need along with the Red Cross. At first, he planned to go and assist with search and rescue efforts, as he is a veteran with military experience in search and rescue. Then after arranging his schedule he realized the trip would be needed for delivery of supplies instead.

In an effort to support T.J. and those effected by the hurricane, Newbold Town Officials will assist in collecting supplies to be sent with him from Northern Wisconsin to Texas. Anyone interested in dropping off any of the following items may do so this Monday, Tuesday or Wednesday between 4:00 p.m. and 6:00 p.m.:

Hygiene supplies such as toothbrushes, toothpaste, deodorant, soap, hand sanitizer, hand & face wipes, mosquito repellent, diapers, baby formula, flashlights, batteries, blankets, non-perishable foods, water, cleaning supplies, face masks, gloves, brooms, mops, garbage bags, underwear, socks, and rubber boots.

For more information contact the Newbold Town Clerk at 715-362-1092 or T.J. Belunes at 715-891-6677.
