

Invasive Species Roadshow

WHAT'S IN YOUR YARD?

Bring it in for a closer look

FRIDAY JULY 14, 2017

1:00 p.m. to 4:00 p.m.

Think you might have found a terrestrial or aquatic invasive species?

Bring suspected invasive plants and animals to one of the following locations for identification.

Invasive Species experts will be on hand to help you:

- ✓ **FIND**
- ✓ **IDENTIFY**
- ✓ **MANAGE**

Your Invasives!

- ✓ **TRIG'S GREENSPACE in RHINELANDER**
- ✓ **TRIG'S in EAGLE RIVER**
- ✓ **LANGLADE COUNTY RESOURCE CENTER in ANTIGO**
- ✓ **NORTHERN GREAT LAKES VISITOR CENTER in ASHLAND**

Brought to you by: Oneida County Land & Water Conservation Department, Vilas County Land & Water Conservation Department, Bayfield County Land & Water Conservation, Langlade County Land Conservation Department, Langlade County Forestry & Recreation, and Wisconsin Headwaters Invasive Partnership
