

You are invited!

The Town of Newbold is offering an educational session on terrestrial(non aquatic) invasive plants facilitated by staff from the Wisconsin Headwaters Invasive Partnership and the Newbold Invasive Species Committee members on June 15, 2019 at 1:00pm at the Newbold Town Hall.

Topics to be covered include:

Overview of Town plan

Plant identification.

Plant location in Town Right of Way.

Best Management Techniques.

Actions that you can take.

It is anticipated that this session will last one to two hours.

Please come.
